# Top quality - top safety ...

All stepping and seating surfaces are coated with skid-proof rubber – a technology used in the car industry.

PAH free

All synthetic materials are checked for PAH by TÜV.

Controlled and approved by TÜV in accordance with the latest release of EN 1176.

All side parts are made of eco-friendly polyethylene (PE). Advantages: no maintenance - non-toxic - 100% recyclable - cracks and scratches do not affect the material's stability or longevity.

All PE-boards are UV-stabilized. 5 years guarantee against considerable fading. 10 years guarantee on material faults and manufacturing errors. Our polyethylene-boards are splinter-proof and joined gap-free. That means that neither fingers, hair, ribbons or clothes can get stuck and rip.

**Warranty**  
10 years on material faults and  
manufacturing errors  
5 years against considerable fading
