# Top quality - top safety ...

All stepping and seating surfaces are coated with skid-proof rubber – a technology used in the car industry.

All edges are rounded and all nuts capped by nut covers.

PAH free

All synthetic materials are checked for PAH by TÜV.

Controlled and approved by TÜV in accordance with the latest release of EN 1176.

All nut covers, foot rests, etc. are made of impact-proof nylon that can take temperatures from -40°C til +110°C.

All tubes in galvanized steel.

Maintenance-free.

All PoLedon-boards are made of eco-friendly polyethylene (PE). Advantages: no maintenance - non-toxic - 100% recyclable - cracks and scratches do not affect the material's stability or longevity.

All PoLedon-boards are UV-stabilized. 5 years guarantee against considerable fading. 10 years guarantee on material faults and manufacturing errors.

Our polyethylene-boards are splinter-proof and joined gap-free. That means that neither fingers, hair, ribbons or clothes can get stuck and rip.

**Warranty**  
10 years on material faults and manufacturing errors  
5 years against considerable fading
