that is very ro-
bust and hardly
heats up in the
sun.

Technical data

Specifications

Item 302180

Dimensions (cm):	L 276 - W 43 - H 171
Space required:	611 x 343 cm
Falling height:	90 cm
Safety surface:	IAW EN 1177
Age group:	from 2 years

Stairs

The stairs were developed together with children. There is a 3 mm rubber coating on the steps, which makes it all very robust.

Cozy cave under the slide

Nice place to play together and develop social skills.

Safe playground in top quality ...

All standing and sitting surfaces are coated with skid-proof rubber – compliments from the car industry.

All edges on all our products - be they made of wood or polyethylene - are rounded.

All nuts and bolt ends are capped by nut covers to protect children from sharp edges.

All nut covers, foot rests etc. are made of impact-proof nylon that can take temperatures from -40°C til +110°C.

PAH free

All synthetic materials are checked for PAH by TÜV.

This product is controlled and approved by TÜV in accordance with the latest release of EN 1176.

All PoLedon-boards and tube elements are made of eco-friendly polyethylene (PE). Advantages: no maintenance - non-toxic - 100% recyclable - cracks and scratches do not affect the material's stability or longevity. All PoLedon-boards are UV-stabilized. 5 years guarantee against considerable fading. 10 years guarantee on material faults and manufacturing errors. Our polyethylene boards do not split, junctions between them are seamless. Neither fingers nor parts of clothing can get stuck or rip.

Guarantee

10 years on material faults and production errors.
5 years against considerable fading of synthetic parts.
